Centralized Master Bidders List - HUB Directory Search

The **CMBL** is a master database used by State of Texas purchasing entities to develop a mailing list for vendors to receive bids based on the products or services they can provide to the State of Texas. Manufacturers, suppliers, and other vendors wishing to furnish materials, equipment, supplies, and services to the state should register for the CMBL to receive bidding opportunities.

The CMBL/HUB Directory Search is automatically defaulted to "CMBL Only" to perform a search for vendors, including Texas certified HUBs who have elected to register on the CMBL. Purchasing entities use NIGP Class and Item Codes within the "Multiple Vendor Search" feature to identify vendors who can provide the products or services they want to purchase, and to develop mailing lists of vendors to receive bids.

For detailed explanations of the various search and data output features (i.e., Search For, Single Vendor Search, Multiple Vendor Search, Business Category / Vendor Location Search, Select Fields For Output, Output Options) that may be used to create lists of potential vendors as well as retrieve detailed information on a specific vendor, click [CMBL/HUB Directory Search Tips](#).

GLENN HEGAR TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

The Texas Comptroller of Public Accounts (CPA) administers the Statewide Historically Underutilized Business (HUB) Program for the State of Texas, which includes certifying minority-, woman- and service disabled veteran-owned businesses as HUBs and facilitates the use of HUBs in state procurement and provides them with information on the state's procurement process. The CPA has established Memorandums of Agreement with other organizations that certify minority-, woman- and service disabled veteran-owned businesses that meet certification standards as defined by the CPA. The agreements allow for Texas-based minority-, woman- and service disabled veteran-owned businesses that are certified with one of our certification partners to become HUB certified through one convenient application process.

In accordance with the Memorandum of Agreement the CPA has established with the WOMEN'S BUSINESS COUNCIL - SOUTHWEST (WBCS), we are pleased to inform you that your company is now certified as a HUB. Your company's profile is listed in the State of Texas HUB Directory and may be viewed online at <https://mycpa.cpa.state.tx.us/tpasscmlbsearch/index.jsp>. Provided that your company continues to remain certified with the WBCS, and they determine that your company continues to meet HUB eligibility requirements, the attached HUB certificate is valid for the time period specified.

You must notify the WBCS in writing of any changes affecting your company's compliance with the HUB eligibility requirements, including changes in ownership, day-to-day management, control and/or principal place of business. Note: Any changes made to your company's information may require the WBCS and/or the HUB Program to re-evaluate your company's eligibility. Failure to remain certified with the WBCS, and/or failure to notify them of any changes affecting your company's compliance with HUB eligibility requirements, may result in the revocation of your company's certification.

Please visit our website at <http://comptroller.texas.gov/procurement/prog/hub/> and reference our publications (i.e. Grow Your Business pamphlet, HUB Brochure and Vendor Guide) that will provide you with addition information on state procurement resources that can increase your company's chances of doing business with the state.

Thank you for your participation in the HUB Program! If you have any questions, you may contact a HUB Program representative at 512-463-5872 or toll-free In Texas at 1-888-863-5881.
